

A few changes we have made to make face to face scouting safe.

When you arrive at 8th Letchworth Scout HQ

When you arrive at the car park, we are asking that you remain inside your vehicle, if you arrived on foot please wait along the side of the building facing the car park. One at a time a leader will invite you inside please ensure that you have a face covering on and you use the hand sanitiser provided.

Inside the building

We have made some changes to the way you enter and exit the building. The entrance will remain on the far side of the building, to exit the building we will be using the fire exit nearest the road. There are 5 hand sanitizer stations located by the entrance, exit and in the main hall.

What we expect of you

These are new and challenging times, please be patient with the leaders. If you have any questions, please ask them. All scouts must ALWAYS have a face covering and personal use hand sanitizer at every meeting. When waiting to collect scouts from a meeting please DO NOT wait inside the building, the leaders will dismiss scouts one at a time in a similar way to how they arrived.

Thank you

Thank you for the continued support during this difficult time and supporting the leadership team in their delivery of face to face scouting safely.

Kind regards,

8th Letchworth Scout Leaders
